INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

On May 24, 2004, Applicants' attorney had a telephone interview with Examiner Robinson. During the interview, Applicants' attorney and Examiner Robinson discussed the objections made to the Drawings and the Specification. Particularly, Applicants' attorney directed Examiner's attention to the section in the Specification where the formula or function used for calculating the predicted download time could be found. Applicants' attorney and Examiner discussed the claims and the applied reference. However, no agreement was reached.

Respectfully submitted,
Keohane et al.
